Dear Colleagues,

I would like to invite you to join the new **Legislative Aerospace and Defense Caucus**. This will be a new group for the 100th legislative session and is open to members of the Senate and the House of Representatives.

The mission of this caucus group will be to educate and promote an emerging aerospace and defense industry in Michigan. During our periodic meetings, we will hear from prominent industry leaders, national defense officials and military generals and learn how our state can accommodate this potential influx of new jobs and investment. We will also have the opportunity to engage in discussion with colleagues and experts and share our unique perspectives.

I look forward to meeting and sharing ideas with you as we explore this new economic frontier for Michigan.

If you are interested in joining, please contact Eric Stocker in my office at estocker@senate.michigan.gov or 517-373-7315.

As always, please let me know if you have any questions.

Representative Joe Tate
